Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the Hilton Head Airport Expansion project in the surface transportation reauthorization legislation.

The project sponsor for this project is Beaufort County and the project is located at Hilton Head Airport in Hilton Head, SC

The funding is designated for intersection improvements that would expand the size and capacity of the airport terminal.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: address capacity concerns at the airport, allow for more efficient travel, and increase commerce in the region.

I certify that neither I nor my immediate family has any financial interest in this project.

All the best,
